On Thursday Sept. 28th the 2022-23 council will be dissolved and the council for this school year will be assembled. Thank you for your commitment to Catholic Education.

Josie Belluomini

Position of Chair

Parent

I have had the honour and privilege of holding both the Co-Chair and Chair position of the CSC at St. Anne for the past 5 years. Being a part of this advisory committee has allowed us to provide resources and programs accessible to students that support their learning and development, in addition to parent engagements that provide information sharing and team building. Working closely with staff has further supported their needs and has helped to bridge the gap between the staff/student community and the parent community. I take pride in the work we do as members of the CSC to meet our mandate and to better our children for the future.

Shelley Beaudry

Position of Treasurer

I have been the Treasurer for the last few years and am prepared to do it again for my last year at the school.

Joanna Cheung

Position of Secretary

Parent

I am a parent, and I was the Secretary of the Council last year. My husband and I worked on the CSC's monthly newsletter, and I enjoy participating in activities for students. I'll use my business connections to help CSC find affordable supplies. I'm excited to work with CSC for another year!

I would like to nominate myself for the CSC. Here is a brief description of my background: I have a strong occupational background in the field of animation and design. I had the opportunity to work on production of "Kung Fu Panda 3" while employed at Dreamworks animation. After that, I've been a designer for 12 years, specializing in designing animation software such as Autodesk Maya and 3Ds Max. As my education background is in animation and illustration, I'm also a photography hobbyist. Thank you for considering my nomination.
