2024

## Total Solar Eclipse April 8

On April 8, 2024, a total solar eclipse will cross North America, passing over Mexico, the United States, and Canada. A total solar eclipse happens when the Moon passes between the Sun and Earth, completely blocking the face of the Sun. The sky will darken as if it were dawn or dusk. The longest duration of totality is 4 minutes, 28 seconds, near Torreón, Mexico. Most places along the centerline (path of totality) will see a totality duration between 3.5 and 4 minutes.

## Terra Cotta Cookies fundraiser – Apr 2 to 16

Our last fundraiser of the year - In support of technology in the school (i.e., chromebooks), and planned student events! Check your emails for the flyer with full details. Orders will be sent home on Tuesday, April 30th.

## Teddy Bear Night - Thursday April 18

To all FDK and Grade 1 students! On Thursday, April 18, the language support committee will be hosting the annual Teddy Bear Night for our Kindergarten and Grade 1 students. Communication for this event will be shared via Google Classroom. We look forward to this fun-filled evening.

## Earth Day – April 22 Click

This year, Earth Day Canada is launching the Leg Day Challenge. From now until April 22, skip the car to save the planet. Bike, walk or bus to work!

**JOIN US at  
our next Meeting:**

Wed April 17 @6:30pm  
School Library  
All are welcome!

**Year End Meeting:**

Wed May 22 @6:30pm  
School Library  
All are welcome!
